## Auto School for Women

Woman's great opportunity during the war is to release a man for the front by taking his place at the wheel.

Our training makes women fit for Red Cross and Government service, also for public taxi work, private chauffeur work, sales demonstration and for their own cars.

Shop instruction for women 9 to 12 two mornings each week, with 12 one-hour individual driving lessons given at student's convenience; also afternoon class from 2-5, evening class 7-10; 57 hours total.

Also special women's class in Mechanical Dentistry and Watch Repairing, two well paid, growing professions. Many openings now and more after the war.

Cut out coupon and mail it to-day.

West Side Y. M. C. A., 316 West 57th St., New York.

Please send free booklet and information on the following classes, as checked:—

- ☐ Auto Driving ☐ Auto Repairs  
☐ Mechanical Dentistry ☐ Watchmaking and Repairing (in prospect).

To Young Women Who Wish to Serve AMERICA

THE patriotic young women who are looking for opportunities of service during the war need not go far afield, need not seek strange and difficult occupations far away from their homes, to render efficient service at this time. Here at home is an opportunity to serve—such an opportunity as women have grasped with eagerness in England and France—the opportunity to take the place of the men who have gone and are going to answer their country's call.
